LICENSEES WHOSE LICENSES HAVE BEEN SUSPENDED OR REVOKED.

(c) Any person whose license has been suspended or revoked shall not buy, sell, transport, exhibit, or deliver for transportation, any animal during the period of suspension or revocation.

The above license was permanently revoked 60 days following an Order signed December 13, 2011. On August 31, 2013, in Plymouth Indiana, the responsible person on the above license was observed exhibiting tigers which had been transported from Texas.

There are four staff on-site during this exhibition. When asked for training documentation for all staff, the staff conducting the inspection stated that only two staff handle and work with the cats. The staff then clearly stated that only she and the above referenced responsible person handle the animals and that their training is documented at home.

Cease exhibition and transport for the purposes of exhibition of all regulated animals.

Correct immediately.

Inspection and exit interview conducted with staff.

At the exit interview, the staff refused to sign the report. A copy of the report, before the addition of these refusal statements, was given to the staff.
